bliging and agreeable, especially to It is not known whether or not his meetings with Miss French continued in this city.

The feature of the case that is mos serious to the bride's family is the fact that both the young woman and Ger-ghty are of legal marriageable age in connecticut. She is nineteen and he is wenty-one and unless she can be permaded of her own will to leave her ridegroom there is little chance of an

### SENSATION WILL HAVE ECHO IN MANY CITIES.

An unusual feature of the case is hat the family of the bridegroom, whose father keeps a livery stable in Newport, are as little pleased with the marlage as are the fashionable realtives nd friends of the pretty young bride. apparently they are not impressed with he fact that "Jack" Geraghty, whose FIGHTING IN LONDON. PAID \$2,500 FOR LOSS, ull name is John Edward Paul, by his marriage becomes a relative of the leroys and Wagstaffs of Long Island, of Major-General Lord Cheylesmore and Lady Cheylesmore of London, the latter an aunt of the bride, the Frenches and Vanderbilts and others prominent in the "400" here and elsewhere.

The sensation of the elopement is not onfined to New York and Newport, out has spread to Philadelphia, Tuxedo, Washington, New Orleans, London, Paris, to the Riviera, Baden Baden. Rome and other places where the bride's

festivities auctioned off a dog. After police at last exhausted, retired, and the phace, and the phace are taken by mounted where it was held by young Geraghty, and they were seen by some one from the French home sent out to ascertain why she hadn't come home promptly.

LONDON. Aug. 10.—The War Office supposedly lost Margery.

The Margery belonged to Dr. C. H. Pinches of No. 1181 Broadway. She is meet the strike crisis, and it is reported. and had danced with Miss French as and are awaiting developments.

after Mr. Leroy's call on Ger-

way. How well they succeeded has caused the cottage colony at Newport to gasp and chorus: "The thing is simply too awful, dreadfully horrible" Geraghty has been working in a garage for \$50 a month, and is considered a reputable young man in his class. His parents, Mr. and Mrs. John C. Geraghty, are plain, honeat people. They have never plain, honeat people. They have never plain, honeat people. They have never plain honeat people. They have never plain honeat people and during busy teasons his father never hesitates to take a whip and drive a station hack.

Mrs. Geraghty, the mother, with femoline intuition, had tried to induce her son to give up the little heiress. She

and thinking over the matter a great short of supplies and prices have advanced alarmingly.

"Last Friday, the day following the close of the lawn fete. Stuyvesant Lerry was ugly and scenes of violence inmet Jack on Believue avenue, and they had a long talk. I know it was not classics were frequent wherever atclassics were made to move a wagon.

The men would intervene and brushing

the found fault with him and told him he should not have danced with the tolders. Jack took Miss French toward her home from the fete, and some one came out from the house and met them. I guess that was what caused Mr. Leroy's visit to Jack."

Mrs. Gerarbty, said, her, son, had

known his bride about three years, but this afternoon. The demands of the how they met she did not know. A lighter men and car men remain to be very large at the Leroy or French man-sions, extra cars were hired from the garage where Geraghty works, but this was only once in a while.

Where and how he met Miss Trench how they eluded the conventional lines When You See p strict in Newport for the fashionable colony, when the trysts began that end. the Advisability of ed in the elopement no one knows ex-

### SOCIETY WONDERS HOW THEY BUYING MET AND COURTED.

Many stories are told to-day of how they deceived the social colony by mesting on avenues and streets frequented only by townsfolk. Most of the time Miss French was accompanied by hald, and always by one of her favorite has, of which she has many, one a sesent from her husband. Often they vere seen walking together in the evedag on some unfrequented avenue, and wherever there was a fete or social affair deraghty was always close by, if Miss Marnoh was a guest. He had never taken his future bride to his mother's home, but flid not conceal from his wother ids love for the helvers.

### Scotding Wife Tries Suicide,

Herman Ludwig of No. 407 East Fif work, went up on the roof to sleep to day because his wife's scolding an hoyed him. The sun was too hot for him and he went back. He found his wife lying on the bed with the gas turned on. A window was open and the was only partly stupefied. Dr. Howen was called from Bellevue Hos-pital and soon brought her around. She aid she thought she had been foolist was not arrested.

Your letter of this date, offering to carry the city orphans, and also other poor children and their mothers, free to and from the parks of the Borough of the Bronx during the summer is at hand. It is most gratifying to me to receive such a letter. I believe it is the first of the kind ever sent to the Mayor by any of our city railroad companies.

I am requesting Commissioner Drummond to see you and arrange the matter at once. I suppose we shall need also to call in some of the settlement workers who are in immediate contact with the poor. Very truly yours, W. J. GAYNOR, Mayor

SHONTS VOLUNTEERED UNIQUE SUGGESTION. President Shonts's offer was con

ained in this letter: The Interborough Rapid Transit Company desires to afford to the inmates of orphan asylums and to other indigent children and their mothers an opportunity during the summer to ride free to and from the Bronx Park, where the zoological and botanical collections may be seen, and to and from Van Cortlandt Park with its playgrounds.
To bring this about in an orderly
way, the co-operation of the Commissioner of Public Charities of this

city would seem to be desirable, in order that, under his supervision, the aid of the various charitable in stitutions and organizations may be secured. If you think well of this sugges-tion, will you kindly arrange for a conference with the proper officials of the city, and of such charitable societies as you may select for the purpose of working out the details

of the project with the operating department of this company? Respectfully yours. T. P. SHONTS, President.

# TO DESTROY BANKS

Should Be Done to Relieve Existing Conditions.

WASHINGTON, Aug. 10.-George W. jumped to his feet and branded as false a charge that the panic of 1907 had been started to ruin certain banks, Representative Bartlett asked Mr. Perkins whether such was not the on his feet in a second, saving:

"Such a charge is absolutely false. New York absolutely dominated the financial affairs of the United States. "That is not so," he said, when the

Standard Oil Company into thirty-three great number of stocks at bottom figures to-day were from 10 to 18 points tainly a warning to corporations. He suggested that something should be while heavy selling was in progress at midday, strong support was offered in done to refleve the present condition. leading stocks that eventually overcame under which, he contended corporations the selling pressure. Toward the end a could not continue to exist.

CORPORATIONS. Representative Bartlett of Georgia

stirred Mr. Perkins when he referred to the conspiracy charge that a group of bankers started the panic of 1997 to drive certain bankers out of business. Mr. Perkins became excited. He jumped to his feet. Pounding the table vigorously with his fist he said:

vigorously with his first he said:

"My dear Judge, there neves was a more infamous lie started than that. There is not a scintilia of truth in it. You might just as well say that a certain group of gentlemen made a contract with Mrs. O'Leary's cow to kick over the lamp that set Chicago on fire."

"Isn't it a fact. Mrs Perkins, that these trust companies, which were believed to have gone beyond a legitimate way of conducting business, were the first to fail?"

"Yes, sir."

Amal. Copper...
